

## Yacht Description - INTEGRITY

**Capacity:** 16  
**Category:** Luxury  
**Built:** 1997  
**Speed:** 14 knots  
**Length:** 43 m  
**Crew:** 11

Built in the USA, the Integrity conforms to exacting standards for luxury Galápagos cruising. All systems including engines, transmissions, stabilizers, electronics, water filtration and sterilization are new, as are the interior decorations and furnishings. All staterooms are on the main deck and are lower twin, queen or king-bedded. There is a 350 sq. ft. king-bedded owner's suite and one single stateroom. Each stateroom has large picture windows, individual climate control, satellite telephone, a stocked refrigerator, and an entertainment center with CD/DVD and LCD monitor. Bathroom facilities are en suite with a full-size shower, lavatory and toilet. Meals are served at four tables of six settings, not far from a galley designed for gourmet chefs.
